## **Your call**

Participating in service opportunities deepens our sense of community, fosters personal growth, and enhances well-being by creating meaningful connections. Studies even show that serving others contributes to greater happiness, purpose, and longevity, enriching both our lives and the lives of those we help.

While **Divine Dining is on hiatus** (we're working on it!), consider hosting a fundraising and/or community-building event – dinner, a house concert, art show, social gathering, or something you're called to do. Get creative! We'll support you.

We invite you to step out of your comfort zone and sign up for something that calls you. Sign up for an hour or an ongoing commitment—but please join us in continuing to create our community. We welcome your ideas and thoughts, as well as your time and talent. Thank you!
